BURNS SPRAINS HIS ANKLE IN COLLISION

Giants' Left Fielder Carried
From Field After Clash
With an Infelder.

HOLLOW VICTORY SCORED

DALLAS, Tex., March 13.—Gifts of nine bases on balls in the first two innings and a donation of eleven errors helped the Giants to a featureless decision over the Dallas team at Gardner Park this afternoon. The game was favored by good weather and a large crowd, but as it did not end until nearly 6:30 there were few persons in the park at the finish but the athletes. The score was 5 to 4, and even then the Giants did not make much of an impression on the plate.

The team sent here to-day was called the regulars, but it was somewhat irregular just the same. None of the battery men was known to the fans, who expected Mathewson to pitch. Desmond Beatty covered second base in place of Larry Doyle, who remained in Martin to wrestle with a bad cold.

The only noteworthy incident was a knockout administered to George Burns in the third inning. Burns collided with the Dallas third baseman and got a bad fall, which was carried off the field by other players and a doctor who was immediately diagnosed his injury as a badly sprained ankle.

YOUNG GIANTLETS HIT WITH VIM AND FERVOR

Celebrate Day of Sunshine by
Tromping All of Waco's
Pitchers But One.

Waco, Tex., March 13.—Members of team No. 2 of the Giants, favored by the presence on the bench of Manager McGraw, were so delighted with warm, sunny weather to-day that they celebrated that novelty by tanning the hides of the Waco Navigators. They swarmed all over the local Texas leaguers and triumphed 12 to 1. Much violent bunting went with the scoring spasms of the Giantlets.

In the third session an error by Pfeifer, two bases on balls and two timely hits gave Dallas four runs and swelled the giant bats. In the next three innings, however, the giants took six runs, hit four and four. Merkle and despoil the Navigators. The game will be played here tomorrow, the Giants featuring Pitcher Cliff Jackson, who was a member of the Dallas club last season. The score:

Jackson, Miss., March 13.—Manager Lee Magee of the Brooklyn Federal League team clashed with Bill Owens, catcher of the Memphis, this afternoon, but the men were separated before blows were exchanged.

In the fifth inning Magee tried to steal home and pitcher Brown threw to Owens to tag him. Owens tagged him out. The play was checked and found a vicious one and white with anger, he pulled up a mask and threw it at Owens. Owens dodged a blow Magee tried to land and other players intervened.

Norman Takes Dolar Cup.

Akers, S. C., March 13.—Maxwell Norman, handicapped at 14, won the mound for the Brookfields for four innings, and although the collegians made four hits off his delivery he put the team whenever it looked as though the team would win. Paul Wilson, a sophomore, pitched the other inning, striking out two men. The other bats grounded out Magee to Hoffman.

PLAY RIPE JOKE ON ROBBIE.

Grapefruit Instead of Baseball Tossed From Airship.

Dayton, Ohio, March 13.—Frequent visitors to the city, but not enough to stop the Brookfields, National Federal League, who had good workouts. The game started with Birmingham champion of the Southern League, was called off in the last minute. Games will be played Saturday and Monday and possibly Tuesday, but now that the games with the fast-moving club have been canceled, several of Rucker this noon commutes the sand, with the exception of Hedges of last year's Chattahoochee team, who threatens to give up baseball.

Maguire Johnson laid aside his golf clubs long enough between sessions to do what was thought was a heroic feat from an airplane to the ground. It took him to get a player, Kelly, who did not take a single scratch, and substituted Robbie for himself near the pitcher's box to face the catch and did not discover the change until it was too late to dodge the grapefruit on the shoulder. He was as though he was knocked down.

Maguire Johnson signed a two years lease with an option on his services for another year, this morning. It looks as though he would be the best catcher this season according to Fred Clarke and Hans Wagner.

Injury Jinx Strikes Pumpelly's Brother

NEW HAVEN, March 13.—A jinx seems to be following the Pumpelly family.

Spencer Pumpelly, the former Hotchkiss star, who is considered the second best pitcher at Yale, broke a small bone in his right wrist in some unaccountable fashion in practice this week. He will be out of the game for at least three weeks and Yale probably will have to do without his services on the Southern trip. Spencer Pumpelly is a brother of Harold Pumpelly, the Yale football star, who has been injured more often than any other Yale man in years. Harold also is a candidate for the baseball team this season. Underwood and Watrous, the former sophomore, are the next pitchers in line to supplant Pumpelly if Pei Way is declared ineligible.

Outpitches New York Star in Five Inning Game, Winning for Regulars, 5 to 1.

BOONE MAKES TWO HITS

SAVANNAH, Ga., March 13.—King Cole had the honor of trimming the coots in to-day's five inning tilt. He pulled up winner, under wraps, by a score of 5 to 1 and has the satisfaction of outlasting Ray Caldwell, the great star of the New York club.

That does not signify by any means, however, that the King is monarch of the roost. As a five inning pitcher he always was a wonder. It will be necessary to wait till the tossers begin to go the route to find if the King has overcome his nefarious habit of blowing up somewhere between the seventh and ninth.

Caldwell's arm appeared sore. He did not have his usual speed and his curve ball was failing to break down. The regulars hit him much harder than the score indicates. They also peppered Smallwood of Savannah quite liberally in the last two innings.

Though they did not steal any bases, the regulars showed some smart work on sacrifice hits. Boone sprang in on Nummeka's short host to left in the second inning. Both Cole and High tallied when Cole drove the ball to the right field fence, while Kelly crossed the plate when Kelly pegged it to Baumann.

Pump, whose feet are bothering him, still fell down twice on the lines. Sweeney trapped him stealing in the first when Boone failed on the bat end and the regulars made a hole in the Husky first base. King, however, held his field tense, but Daley relaxed prettily from Kelly and cut off an apparently certain home run. Sweeney snuffed out Peckham's steal in the fourth when Roger missed the bag.

He was trapped in the fifth when Pfeifer, with a double and single in two appearances at bat, despite Maisei's four hits of yesterday, the second base man easily leads at batting in the practice games played.

Four out on the first High hit, Caldwells for a double and Cole hit in the run. Pimp forced Riley and then went out stealing. Boone doubled to left in the second and after Peck had to Maisei. Cook reached first on a wild pitch, then hit the fourth ball. High kept his eye on the ball and scored on a double play from Kelly. Both Daley and Peckham's steal was caught by the King.

For the fourth time his hitting was thin and anemic. This was bad, but Fairchild was doing well with a double and single in two appearances at bat. Despite Maisei's four hits of yesterday, the second base man easily leads at batting in the practice games played.
